In the event of death or the inability to produce and ship viable semen from the stallion contracted for this service Gray Fox Farm will substitute this fresh semen agreement for either frozen semen from the same or fresh semen from another Gray Fox Farm owned stallion of the mare owners choice.

This contract guarantees return privileges for the same mare during the course of Gray Fox Farm breeding season (February 1 - November 1). The mare owner is guaranteed return breeding privileges for five seasons following the initial breeding season. Another mare may be substituted with the permission of the stallion owner.

I understand that the mare owner shall assume all responsibility for the condition of the mare and shall bear all risk of loss or damage to the mare whether by death, disease, injury, infection or otherwise, and by any cause whatsoever, and therefore agrees to hold the stallion owner, keeper or agent harmless for any and all damages associated therewith.
